STORAGE

Your items are stored in a clean and climate controlled warehouse.

SKUs are organised and arranged safely in dedicated shelving.

PICK & PACK

When the orders are received, all items are then picked from the racks.

The items are packed into their respected parcels. Each parcel is checked multiple times to ensure accuracy.

DELIVERY

Items are sent out via 3PL companies (POS Laju, DHL, etc) or through our van delivery service straight to bazaar booths or your stockists in Klang Valley.

We handle your warehousing, inventory & order fulfillment

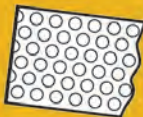

While you take care of what's important!

Your inventory and stock movement is supported by a cloud-based real-time inventory system
